14th January 2021: Edition No 342

We acknowledge and respect the traditional custodians of this land: the Darug and Gundungurra people.

From the President.....

Happy New Year to us all!!

I'm feeling suitably optimistic that we will be able to meet as a group in February for the first time in almost a year. The Committee's working hard to ensure a COVID safe plan is in place and in addition, according to the regulations, we must all wear a mask. It's time to start the process of finding ways to get the club activated again and I'm sure we can do this if we all co-operate. It won't be the usual free movement throughout the hall but with your help we will do our best to organise a friendly meeting that gets things running again.

What do you think of the very wet summer? Better than last year considering the bushfires and smoke-filled days of 2020 but not so welcome with weeding and mould. I'm sure I wasn't alone when I grumbled under my breath at the sodden rose buds that never saw the brilliance of their bloom. On the few sunny days we enjoyed, I spent most of the time, cleaning up, cutting back, and weeding.

We finished 2020 with a wonderful Christmas luncheon at Mountain View Heritage Restaurant. The food could not be faulted and the service excellent. We were genuinely pleased to be together as a group once more and the staff appeared relieved to have lots of customers as they went out of their way to fulfil every wish.

In the coming weeks before 11 February, please check your emails, check the website and watch for a paragraph in the Gazette to ensure you are aware of the outcome of Committee meetings and the decisions that must be made.

I look forward to greeting you and may 2021 be kind to us all.

Janice Light

Good day to all my gardening friends it's time the hibernation ends bring out the hamper, chairs and rugs, but watch out for the annoying bugs both good and grisly, kind and bad they swarm around our food and bags It's worth the struggle it's worth the pain so sit out in the summer rain as showers, humidity, cramp and sweat drips down our noses, cheeks and breast

We wouldn't change a single thing for gardens surely make us sing.

STOP PRESS

**We will be holding our first GENERAL MEETING on FEBRUARY 11TH.
Due to COVID restrictions our numbers will be strictly limited and pre-registration by text message will be necessary.**

More details will be emailed so check your INBOX late January.

Christmas Lunch

The Christmas Lunch was attended by a happy group of members and guests at the Mountain Heritage. Tuan from Mountain Heritage kindly did a video of the festivities which we'll show at the February meeting.

Next Meeting
