12<sup>th</sup> August 2021: Edition No 349

We acknowledge and respect the traditional custodians of this land: the Darug and Gundungurra people.

**From the President.....**

I'm sure I'm not alone when I vent my frustration with yet another lockdown. Essential as it is, if we are to ever get on top of this virus, it's disappointing that the Leura Gardens Festival has been cancelled along with many other mountain events.

Although it's been a tough few months, and many of us are eager to meet and to participate in club activities, the committee is working to see what can be done to ensure the club is active and viable once the Govt allows us some freedom. A committee meeting at the end of August via ZOOM, if we can't meet in person, will generate lots of ideas and, all being well, the few events mooted for October will go ahead. Regardless of whatever situation we are in, the AGM is planned for September either at the general meeting or via online participation. I am optimistic that the Christmas lunch to be held 9<sup>th</sup> December will take place, so put that date in your diary.

Now, for something more cheerful - as the weather has been surprisingly mild let's get some gardening jobs done; make some notes to let members know what you've been up to once we are meeting as a group. I invite you to prepare something for "My Garden" or Q&A if you need an answer to a query you might have. Winter may be a time of hibernation for some plants but there's still plenty to admire. Daffodils are flowering, tulips and irises are beginning to show, proteas are blooming and it's time to cut back roses and get things prepared for the spring.

Finally, As Ronah Tuite is standing down from morning tea duties, Barbara Fox and Jocelyn Dorrrough are taking over. Our grateful thanks to Ronah for all her work over the past 4 years, and to Barbara and Jocelyn for taking on the responsibilities.

See you as soon as Gladys B. permits.

Janice Light

ALL Executive and Committee positions become vacant at the AGM now in September 2021. All positions are open for nomination.

If you would like to contribute further to the effective administration of the club, you are invited to nominate for either an Executive or Committee position. The Committee members meet once a month to review and discuss the operation of the club, future functions, speakers, finance and how we can best serve the members of the club. We would invite you to consider how you could join the Committee and help your club.

Please contact Gai or Henry for a nomination form, or any enquiries.

Please think how you can contribute to the enjoyment of your club by joining the Committee.
